# Frequently Asked **QUESTIONS**

# What is the difference between TK and Kindergarten?

The Transitional Kindergarten classroom will provide developmentally appropriate thematic-based curriculum. The curriculum is a hybrid between the California Preschool Learning Foundations and the California Common Core Standards for Kindergarten.

Students in the TK program will be provided a program that will bridge their early childhood experiences to those of the public school system.

# Can my child participate in Kindergarten if his/her birthday is after the eligibility cut off?

(after December 2<sup>nd</sup>)

IUSD does not have Board Policy that allows our District to enroll children who turn five after the initial Dec. 2nd cutoff.

**Can my child enter Kindergarten if they are age eligible for TK?**  
(turn 5 between September 2<sup>nd</sup> and December 2<sup>nd</sup>)

**Can my child enter TK if they are age eligible for Kindergarten?**  
(turn 5 on or before September 1<sup>st</sup>)

We are obligated to adhere to CA Education Code and enroll students in the grade level in which they are age eligible based on their date of birth.
